Dear Mr. Hurt:

For some time I have been thinking that you have been ill. I note that in last Philatelic that you have had pneumonia. I trust you will have a complete recovery. I had it a few years ago and know how much it takes out of one. Do not attempt to do too much first along. As a matter of fact you won't be feeling like you would want to tackle many things for some time - in other words you must gradually get into the harness again.

With best wishes, I remain,

Very truly yours,

Curator

Dear Mr. Howland Wood,

Many thanks for your letter
returning the Gibraltar used Morocco.
A few days previously I received the draft
for 17/- from your Bank which I acknowledged
direct. Many thanks for this.

I am now enclosing a 25c Gibraltar
used at Fez. This is one of the very scarce
offices and, incidentally, the registered
type of postmark is always a most difficult
thing to find from any office - 8/-.

With best wishes for 1938,
Yours sincerely,

E. F. Hurt
